

# Nonprofit Cloud QuickStarts

VRP QuickStart Services

## Transform your organization with Salesforce®

**Nonprofit Cloud cost-effectively in as little as 4 weeks**

From £6300 / €6930 / \$6930

Our Salesforce QuickStarts are **fixed-price implementation packages** designed to deploy key Salesforce functionalities quickly and cost-effectively. By leveraging **proven best practices and tailored, scalable solutions**, we help businesses and nonprofit organizations swiftly achieve a high return on investment (ROI) thanks to **transformed processes and an empowered workforce**.

## Perfect for...

**Small and Medium-Sized NGOs**  
starting their Salesforce journey.

**NGOs**  
with challenging budgets needing an affordable, impactful solution.

**Rapidly growing NGOs**  
looking to optimize and scale their processes.

## Benefits of implementing Nonprofit Cloud

**Complete donor view** to track giving/engagement/preferences, tailor outreach and improve relationships.

**Compliance and privacy protected**, as users only see the data they need to see in order to do their job.

**Capture donations** via all your channels, such as donation forms, legacy or peer-to-peer fundraising.

**Identify top-converting leads** and fund-generating activities for more targeted, effective marketing.

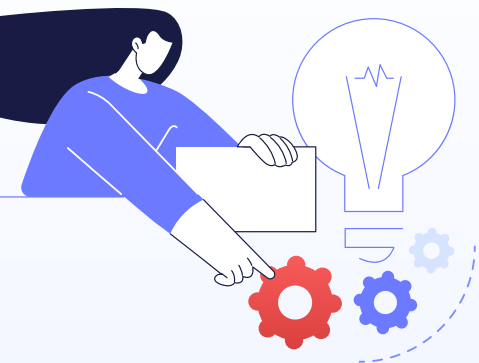

**Keep everyone aligned** via live reports and dashboards that provide visibility over the latest information.

**Track progress and activity** around eliciting major gifts and applying for grants more easily and effectively.

## Why choose a QuickStart Implementation?

Get live in as little as 4 weeks, with your teams making the most of it and seeing **fast results and benefits**.

Built on best practices and experience, with a solution you can rely on for a **strong, scalable solution**.

Starting with essential features and solid training simplifies user experience for **more effective usage, sooner**.

VRP Managed Services helps further increase adoption by delivering **3 months of post go-live support.\***
