

Sales Cloud QuickStarts

VRP QuickStart Services

Transform your organization with Salesforce®

Sales Cloud **cost-effectively in as little as 4 weeks**

From **£5500 / €6050 / \$6050**

Our Salesforce QuickStarts are **fixed-price implementation packages** designed to deploy key Salesforce functionalities quickly and cost-effectively. By leveraging **proven best practices and tailored, scalable solutions**, we help businesses and nonprofit organizations swiftly achieve a high return on investment (ROI) thanks to **transformed processes and an empowered workforce**.

Perfect for...

Small and Medium-Sized Enterprises (SMEs)
starting their Salesforce journey.

Nonprofits (NGOs)
with challenging budgets needing an affordable, impactful solution.

Rapidly growing companies
looking to optimize and scale their processes.

Benefits of implementing Sales Cloud

Optimize your sales process
to guide teams toward higher conversions and real business impact.

Track vital activity
by capturing meetings, calls, and emails for continuity and analytics.

Gain performance insights
with detailed sales reports for faster, better decision-making.

Boost marketing ROI
by identifying top-converting leads for more targeted campaigns.

Safeguard security
by restricting data access and ensuring compliance with privacy standards.

Improve visibility
with live dashboards that align teams on accurate, up-to-date data.

Why choose a QuickStart Implementation?

- ✓ Get live in as little as 4 weeks, with your teams making the most of it and seeing **fast results and benefits**.
- ✓ Built on best practices and experience, with a solution you can rely on for a **strong, scalable solution**.
- ✓ Starting with essential features and solid training simplifies user experience for **more effective usage, sooner**.
- ✓ VRP Managed Services helps further increase adoption by delivering **3 months of post go-live support**.*

*Sales Cloud, Service Cloud or Nonprofit Cloud QuickStart Implementations only
