

# SalesTrip QuickStart

Salesforce® SalesTrip

You can get your business running on Salesforce **in as little as 4 weeks**

**BVT**  
SWEDEN  
**Vinod Kumar Ravichandran**  
Sales & Business Development

"VRP is very flexible, highly skillful, supportive all the time and made the implementation a smooth & easy to reach goal. VRP are not just consultants, they are team players."

## SalesTrip QuickStart Features

Implementation of **SalesTrip** out of the box benefits to get you up and running on the Salesforce platform using a **transparent approach**

Perfect for businesses that are looking to **standardize** and **automate** processes, **centralize** data and increase business **efficiency**

**Dedicated Consultants** for an easy introduction into the Salesforce world that will challenge your processes to simplify your business and operations

Our Consultants can advise on **key apps** or **integrations** that can be included **cost-effectively** to automate and add further value

**Discovery sessions** to run through requirements and advising you on configuring the platform according to your needs

Remote or local **training sessions** to create Salesforce **superstars** out of your end-users right after the implementation

**Extensive experience** in delivering best practice solutions tailored to your industry needs as well as knowledge across wider **Salesforce clouds and products**

Fast **time to value**, typically up and running on Salesforce within **4 weeks**

We will help make your data **work for you** with fast-to-configure **reports and dashboards**

## Templated Project Approach Supporting Fast Delivery

## Why work with us?

### Our strengths

Our team is 100% focused on Salesforce. The QuickStart Consultants are experts in translating key requirements into the Salesforce platform. We work directly with clients across many industries on all clouds that Salesforce offers. This gives us the ability to propose the best possible recommendations for your business needs.

### Who we are

We are an award-winning, global, full-service Salesforce® consulting, development and outsourcing partner delivering across the entire Salesforce platform.

### Our approach

We focus on quickly understanding your key business drivers. Followed by sharing our knowledge and expertise to configure the platform to your needs. Our templated approach ensures that we can deliver a working solution in as little as 4 weeks.
